

FLANGE TO FLANGE

WATER · WASTEWATER · STORMWATER · INDUSTRIAL

Pipe, fittings, valves and fabrication. **One call.**

Manufacturers' representation for distributors, OEMs and engineers across the Gulf South.

FABRICATED DI SPOOLS

Central Pipe & Supply

Flanged, threaded and grooved ductile iron spools built to your layout. Domestic flanges available.

AWWA C115 Class 53+ Cement lined Tnemec T431
Protecto 401 125 / 250 drilling

MJ & FLANGED FITTINGS

United Fittings

Ductile iron elbows, tees, crosses, laterals, reducers and blind flanges, 3" through 48".

AWWA C110 ASTM A536 Cement lined C104
T431 lined

VALVES

United / Kinger

Resilient seat gate valves in MJ and flanged, OS&Y gate valves to 24", plus check and butterfly valves.

AWWA C515 UL / FM Fusion epoxy C550 NSF 61

KNIFE GATE VALVES

Fabricast

Knife gate valves for wastewater and plant process lines.

Wastewater Process Plant

CORRUGATED STORM PIPE

TDR Pipe

TDR ULTRA® dual wall HDPE, 4"–60", and TDR PRO™ polypropylene, 12"–60". Marmac couplings.

AASHTO M294 AASHTO M330 Watertight joint
LaDOTD AML TxDOT

HDPE PRESSURE PIPE

IPS & DIPS

HDPE pressure pipe in iron pipe size and ductile iron pipe size, with in-house fabrication.

IPS sizing DIPS sizing Fabricated fittings

ACCESSORIES

Packs, ready to go

Flange accessory packs and MJ accessory packs — bolts, gaskets and glands, boxed by the joint.

Flange packs MJ packs

SUBMITTALS

On request

Cut sheets, certifications and submittal packages for every line we carry.
